UNIQUELY DELIVERED

Welcome to the new Azamara Club Cruises! We think of ourselves as a boutique cruise line of distinction where guests can enjoy a sophisticated, yet relaxed way of traveling while we deliver unique destinations. We know every port of call like we live there, and we share our insider's knowledge of the best sights, museums, shops and restaurants, allowing our guests to immerse themselves in the destination.

Azamara Club Cruises bring guests to the most exotic destinations, and create experiences that are once in a lifetime. See the world through the local culture and its music, dance, art and history, or enjoy a more active excursion on extended biking trips, golf, walking or hiking. Shopping and dining are musts, of course, and our local experts can prepare guests for time ashore with insights about the right local flavors and tastes, as well as in-depth knowledge about local artisans and shops.

Not only are we destination specialists, we also provide an onboard environment of wellness and vitality with a relaxing and pampering spa, multiple gourmet dining options, specialty wines from around the globe, extraordinary service by a welcoming and friendly staff, and an amazingly social environment.

Why Azamara Club Cruises? Because our guests are truly part of a club whose members love to explore the globe, and enjoy being treated to the warmth and hospitality of our onboard staff, on smaller, more intimate ships. Join us soon, and become an instant member of Le Club Azamara.

If you're on a quest to see the world, journey onboard the Azamara Club Cruises ships.
