### *Mexican Riviera — Sun-kissed south-of-the-border escapes*

It's hard to have a single worry as you sail south to the charming, festive ports of the Mexican Riviera. Guests can sail for either seven days roundtrip from Los Angeles or 10 days roundtrip from San Francisco, and enjoy a leisurely escape saturated in the blue expanses of Mexican sun and sea.

**A BLISSFUL WEEK FROM LOS ANGELES.** Sailing for a wonderful week roundtrip from Los Angeles on the incredible Sapphire Princess®, you'll discover the relaxed pace of life and vibrant culture Mexico is known for — in ports like Puerto Vallarta, with its cobblestone streets and bustling Malécon, the Baja fishing village of Cabo San Lucas, and lively Mazatlán with its wide beaches, sheltered bay and famous shopping.

**FIESTA FROM SAN FRANCISCO.** In addition to Puerto Vallarta and Cabo San Lucas, our relaxing 10-day sailing from San Francisco also calls in the famous resort city of Acapulco, and the twin towns of Ixtapa and Zihuatanejo — one a world-class resort, the other a classic sleepy Mexican outpost. And sailing there on Star Princess®, you'll enjoy some of her new additions like The Sanctuary, International Café, Vines Wine and Seafood Bar and more.
